Dear Shri. Rajiv Malhotra,

**Rig Veda**

30<sup>th</sup>/12/2014

Thank you for asking us to e-mail the subject. The objectives of the 'Rig Veda' production as Ram discussed with you this evening:

1. Sanātana Dharma. The host community understands the essence of Rig Veda and the similarities between Hinduism, Buddhism and Christianity.
2. The above production should attract the Westerners and the British born Asians using the most powerful media: North and South Indian Classical music and Natya yoga/Bharatanatyam with Ballet.
3. We have identified the below YouTube documentary and it looks credible. If you could give us your views on the below and could you give us more literature or give us some intellectual input, we can work on the lyrics for the production.

On the U-tube:

Jesus was a Buddhist Monk BBC Documentary

Govt of India Documentary on Jesus in Kashmir

Jesus in India / Did Jesus Die - BBC - 4 Documentary

Jesus in the Holy Vedas vs. Jesus in India? - BBC Documentary

Jesus in India? -- BBC Documentary

The Secret Family of Jesus - Full Documentary

We will be delighted to have your views as we are very open to your suggestions, advice and ideas.

Kind Regards

On behalf Ram
